

“EVERY PATIENT CONTACT COUNTS™”

A Webinar for Medical Personnel

Did you hear about the patient who told her friends how upset she was to be left alone on a gurney in the hallway outside radiology?

Minor hospital experiences may not be minor to the patient. Mishaps may contaminate an otherwise good experience.

“EVERY PATIENT CONTACT COUNTS™” is a one-hour long, live, evidence-based webinar reinforcing positive interpersonal interactions between all medical personnel and their patients.

The essential audience for the webinar, “EVERY PATIENT CONTACT COUNTS™” includes all medical staff from receptionist to physician and should be ordered by hospital administrators who care to

- **increase patient loyalty**
- **improve patient compliance**
- **increase patient satisfaction, while**
- **decreasing staff stress**
- **increasing staff efficiency.**
